Further, all parties acknowledge and agree that the property is being sold "AS IS" with any and all faults. Neither Auctioneer/Broker nor Seller has made any representations concerning the property, including the presence or absence of wetlands, asbestos, underground storage tanks or any other environmental conditions which may affect the property, or the presence or absence of any form of benefits, supports, allotments, quotas, special property tax programs or subsidies of any kind or nature, except as are expressly stated in the Special Stipulations attached to this Contract.

THE TERMS AND PROVISIONS OF THIS PARAGRAPH SHALL SURVIVE CLOSING HEREUNDER.

(e) The property MAY BE devoted to bona fide CURRENT USE ASSESSMENT OF BONA FIDE AGRICULTURAL PROPERTY (conservation/agricultural use), wherein the owner may be entitled to preferential tax assessment. To the extent the property (or any part thereof) IS currently subject to the above-described preferential tax assessment contract agreement, it shall be Buyer's sole responsibility to maintain any and all preferential tax treatment to the property. (f) If Buyer fails to comply with any of the terms of this Contract, Buyer will be in immediate default, and Seller shall have the option to either (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this Contract and receive the earnest money as liquidated damages. Seller shall give Buyer written notice of the default, but said written notice is not to be construed as giving Buyer a right to cure said default. Notwithstanding the forgoing, regardless of which option Seller may elect, Auctioneer/Broker shall be entitled to its full commission, based on the purchase price, plus any other amounts due under the auction contract with Seller, from the earnest money to the extent said funds are available, and Auctioneer/Broker shall first deduct from the earnest money its commission and other expenses, and pay the balance, if any, to Seller. This remedy is cumulative, not exclusive to those otherwise provided by law.

(g) Buyer shall have twenty (20) days after the date this REAL ESTATE SALES CONTRACT IS CONFIRMED BY AUCTIONEER/BROKER (page five), in which to examine the title, and all objections as to title shall be made in writing to Auctioneer/Broker as agent for Seller within that time, and Seller shall have a reasonable time thereafter, not to exceed 95 days, within which to remove such objections or to obtain title insurance to insure over said objections. If Seller cannot obtain title insurance to insure over the defects or objections and if the defects and objections are such as to render the title unmarketable, and not made marketable by the Seller, the Buyer may rescind this Contract and shall receive back his earnest money.

(h) Should any improvements on the property be damaged or destroyed by fire or the elements before sale is consummated, the loss shall fall on Seller. If such loss is total or if the loss is "substantial" (over fifty percent of the value of the property has been lost), then either party may terminate this Contract within twenty days after the loss, and Buyer will receive a refund of the earnest money. If such loss is total or substantial but neither party elects to terminate this Contract, or if the loss is less than substantial, then at the option of the Buyer, Seller shall repair or restore the improvement to its former condition, or Buyer shall be allowed to deduct from the agreed purchase price

the amount necessary to repair or restore premises to the condition of the same prior to the casualty. If the parties are unable to agree as to the amount necessary to repair or restore improvement to its former condition, or the parties are unable to repair or restore the premises to its former condition, whether the loss is substantial, as herein defined, then each party shall name one appraiser, and the two appraisers shall name an umpire, and the decision of the majority shall determine the amount to be deducted from the purchase price, which decision and award shall have the force and effect of a statutory award as provided by the laws of the State of GEORGIA. The cost of each appraiser shall be paid by the appointing party, and the cost of the umpire shall be split between the parties.

Should one party fail or refuse to appoint an appraiser within ten (10) business days after written notice from the other party of the appointment of that party's appraiser, the one appraiser so appointed shall decide the issue.

Should any merchantable or pre-merchantable timber on the property be destroyed prior to the closing of the sale, then such loss shall fall on Seller, and Buyer shall be allowed to deduct the value of the destroyed timber from the purchase price. In the event the parties are unable to agree upon the value of the destroyed timber, such value shall be determined by the arbitration procedure outlined in the immediately preceding paragraph.

(i) Notwithstanding anything to the contrary in this Contract, the parties agree that in the event a settlement agent is designated to close this sale, payment of all funds required under this agreement shall be paid to such agent, and all disbursements made pursuant to the settlement statement prepared for such closing shall be made by such settlement agent's checks.

(j) Auctioneer/Broker herein has acted as Agent for Seller in this transaction as disclosed in Exhibit "B" attached hereto and shall be paid a sales commission by Seller. Auctioneer/Broker **has not acted as agent for Buyer in this transaction**. The settlement agent is hereby authorized and directed to pay Auctioneer/Broker earned commission at sale closing from Seller's funds.

(k) Neither Seller nor Auctioneer/Broker are positive as to the status of the oil, gas, and mineral rights. The Seller agrees to convey all its interest in any oil, gas, or mineral rights to the Buyer at closing. This sale is subject to any prior reservation or sale of oil, gas, and mineral rights, if any.

(l) Seller and Buyer agree that each shall execute and deliver such papers as may be necessary or proper to carry out the terms of this contract at such reasonable time and place as Seller may set for the consummation of sale. This agreement shall not be transferred or assigned without the written consent of all parties to this agreement and any permitted assignee shall fulfill all the terms and conditions of this agreement. Notwithstanding anything contained herein to the contrary, Seller's responsibility in connection with the Property shall cease at closing, and closing shall constitute Buyer's acceptance of the Property unless provision is otherwise made in writing. Buyer and Seller agree to comply with and to execute and deliver such certifications, affidavits and statements as are required at the closing in order to meet the requirements of Internal Revenue Code Section 1445.

5. In the event Buyer and/or Seller has any dispute or controversy with J. Durham & Associates, Inc. arising under, out of or in connection with, or in relation to this Agreement, or any amendment hereof, or the breach hereof, Buyer's and/or Seller's dispute or controversy shall be subject to mediation as a condition precedent to arbitration in Section 6 below. The parties shall endeavor to resolve claims, disputes and other matters in question between them by mediation in Terrell County, Georgia in accordance with the American Bar Association Alternative Dispute Resolution Service Rules of Procedure for Mediation and applying the laws of the State of Georgia. Mediation shall proceed in advance of arbitration, which shall be stayed pending mediation for a period of sixty (60) days from the date of filing. The parties shall share the mediator's fee and any filing fees equally. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

6. In the event Buyer and/or Seller has any dispute or controversy with J. Durham & Associates, Inc. arising under, out of or in connection with, or in relation to this Agreement, or any amendment hereof, or the breach hereof not resolved by mediation as set forth in Section 5 above, said dispute or controversy shall be determined and settled by arbitration in Terrell County, Georgia, in accordance with the American Bar Association Alternative Dispute Resolution Service Rules of Procedure for Arbitration and applying the laws of the State of Georgia. Any award

rendered by the arbitrator shall be final and binding upon each of the parties, and judgment thereon may be entered in any court having jurisdiction thereof. The costs shall be borne by the non-prevailing party. During the pendency of any such arbitration and until final judgment thereon has been entered, this Agreement shall remain in full force and effect unless otherwise terminated as provided hereunder. The provisions set forth herein shall survive expiration or other termination of this Agreement regardless of the cause of such termination.

7. This Contract constitutes an offer only by the Buyer and is not accepted by the Seller until confirmation by Auctioneer/Broker is executed below, which confirmation or rejection shall be made within 96 hours of the completion of this auction.
